Any stands not occupied by 12pm on Tuesday will be reallocated. All stands must be disassembled and removed before 5pm on 7th August as the site is being used the following day. We would appreciate if drawing pins and any other sharp objects would be disposed of safely as these cause injury to the cattle's feet. Trade exhibitors are responsible for disposing of all rubbish on and around their stand to the skips provided, flattening all cardboard boxes etc. If you do not remove all rubbish you will be omitted from next year's mailing list.

Traders who distribute promotional material or collect for charity outside stand will be asked to leave show. Promotion & sale of goods is confined to your stand only, traders are advised not to send out images by social media; unless it is your exhibit/product or you have permission to do so by the owner. We need to protect all our exhibitors' traders and visitors at our show.

Fermanagh County Show

County Fermanagh Farming Society Ltd. Founded 1836

Dear Sir/Madam,

I have enclosed a trade application for Fermanagh County Show on 6th & 7th August 2019.

TRADING POLICY:

Please note that it is Show Policy that traders may distribute publications ON THEIR OWN STAND ONLY. Traders who disregard this policy and leave their allocated space to hand out/sell publications will be asked to cease and be removed from our traders' database if they do not adhere to policy. If a Steward in charge has to speak to traders a second time the trader involved will be asked to leave the premises ASAP.

We pay litter pickers to clean the site after the show and they do a wonderful job, so we would appreciate your cooperation in not leaving litter behind as you go or putting fliers on vehicle windscreens etc. Please use the skips and bins provided onsite. Please help us hand back out site Clean & Tidy to Ulster Farmer Mart Ltd who so kindly loan us their facilities every year.

If you do plan to attend our show please ensure that all staff/representatives are aware of this policy.
